WHAT WE OFFER

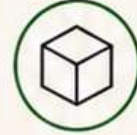

IDEAL STORAGE CONDITIONS

Fruits stored at temperatures from 10 to 13°C, allowing them to retain their freshness, aroma and excellent quality.

DIRECTLY FROM THAILAND

Products supplied directly from carefully selected and trusted farms. A committed team that builds lasting relationships with us.

WIDE AND FLEXIBLE OFFER

In addition to seasonal fruits, we can also source other fruits, vegetables as well as processed goods and non-food items.

MORE THAN FRUIT

Thanks to our extensive network of import and export partners between Thailand, Poland and Europe.

FROM THAILAND TO POLAND

Fruits, vegetables and other authentic Asian products.

FROM POLAND TO THAILAND

Polish regional products and European.

We build bridges between markets, delivering quality you can trust.

FRESHNESS

We care about freshness at every stage.

DIRECT RELATIONSHIPS

We operate with trust and long-term partnerships.

IMPORT AND EXPORT

We connect Thailand, Poland and Europe.

FOOD AND NON-FOOD PRODUCTS

A comprehensive offer tailored to your needs.

SAVINA – YOUR TRUSTED PARTNER IN IMPORT AND EXPORT

LOCAL
SUPPORT

How can we help?

From the first inquiry to coordinated delivery.

Product sourcing

We help identify the right product, supplier, or buyer on the relevant market.

Terms & coordination

We coordinate specifications, quantities, offers, and the key terms of cooperation.

Transport organization

We select logistics solutions suited to the product type, deadline, and order scale.

Process support

We oversee communication, documentation, and the next stages of order execution.

Example categories

food & premium products • cosmetics & wellness • clothes & fashion
consumer goods • business components • other products on request

From test batches to larger commercial shipments — scope is agreed individually.

Do you have a product you want to import or sell in Thailand?
Let's talk about the possibilities.
